

Just a Minute Bow Tournaments

June 2, 2012

1st Tournament starts @ 10 am 2nd Tournament starts @ 2 pm

SHOTGUN STARTS

BASIC RULES

All Open, Tech Hunter, Hunter and Seniors will shoot from the green stake. All others will shoot from their regular stakes.

All shooters must stay behind the orange line prior to your time to shoot.

When it is your turn, you have one minute to leave the orange line, approach the pin, nock your arrow and shoot.

If more than a minute is taken to shoot, it will count as a miss for that target.

A kill will be scored when the ENTIRE arrow shaft is within the 10 ring.

Scoring will be based on the number of kills.

After everyone has finished the tournament, the range will be closed to all shooters and at that time, lost arrows will be recovered.
